All permits issued pursuant to these Rules and Regulations are subject to the following Rules:

RULE 401 RESPONSIBILITY

Adopted 11-12-74 (Amended 05-24-77)

The fact that an authorization to construct or modify, or a permit to operate an article, machine, equipment or other contrivance described herein shall have been issued by the Air Pollution Control Officer shall not be an endorsement of such article, machine, or other contrivance; neither shall it be deemed or construed to be a warranty, guarantee or representation on the part of the Air Pollution Control Officer that emission standards would not be exceeded by such article, machine, equipment, or other contrivance. In every instance the person, firm or corporation to whom such authorization or permit is issued shall be and remain responsible under these regulations for each and every instance wherein emission standards are exceeded by the article, machine, equipment, or other contrivance described in the permit, and the fact of issuance or authorization shall not be a defense to or mitigation of any charge of violation.
