Subject: Homewood Odor Complaints and Rules

Hi John,

Thanks for taking the time to speak with me about applicable rules and odor complaints for the Homewood Expansion Project. Per our conversation, I have recorded the following information and would like to verify it is correct:

The following rules may apply to the proposed project: 202, 205, 207, 210, 212, 213, 217, 218, 225, 226, 228, 231, 242, 246, 501, and 502.

There have been zero odor complaints against the Homewood Mountain Resort (since 2001).

If you could please confirm the above information at your earliest convenience, I would greatly appreciate it!

Thanks!
