Tahoe Basin Community Plan Update

Community Workshop #7 November 28, 2012

The seventh Community Workshop for the Tahoe Basin Community Plan Update was held on November 28, 2012 at the North Tahoe Event Center in Kings Beach. The Project Manager Crystal Jacobsen began the Workshop with an introduction, stating the purpose of the Community Workshop and described what the Working Groups would be tasked with for the meeting. This meeting focused the release of each team's Draft District Standards, with focus on the zone district maps and land use classification within each Plan Area.

Design consultants Dyett & Bahtia gave a presentation and met with each of the Working Groups to review and discuss the Draft District Standards that were prepared for each of the plan team areas. The draft district standards were compiled from information collected in the previous workshops. The documents are reflective of each team's vision from the land use exercises, the TRPA Regional Plan Update, Placer County Zoning Ordinance, General Plans and Community Plans. The Draft District Standards are currently serving as a template and will evolve as the County continues to refine them. As these standards are developed, the documents will be reviewed by the Community Plan Technical Advisory Committee for compliance with other agency regulations, including TRPA.

The next meeting is scheduled for Wednesday, January 9, 2013 at 6:00 pm at the North Tahoe Event Center in Kings Beach.

Meeting notes and additional Tahoe Basin Community Plan Update information can be found online at: http://www.placer.ca.gov/Departments/CommunityDevelopment/Planning/TahoePlanning.aspx
