PLACER COUNTY ENVIRONMENTAL HEALTH 3091 COUNTY CENTER DR. STE., 180, AUBURN, CA 95603 (530) 745-2300

SERVICE PROVIDERS OPERATION, MAINTENANCE AND MONITORING OF ADVANTEX SYSTEMS

Below is a list of qualified service providers for the operation, maintenance and monitoring of Advantex systems. This is not an exhaustive list. There may be other companies that provide similar services. We do however encourage you to check with us prior to utilizing a company not mentioned on this list as we want to make sure that the services performed on your septic system meets the requirements of the County for annual maintenance. Placer County makes no specific recommendations nor does the distribution of this list constitute a guarantee of workmanship.
