DATE: June 16, 2014

SUBJECT: Contract with California Forensic Medical Group, Inc. (CFMG) for Inmate Healthcare Services

ACTION REQUESTED:

1. Take the following actions with regard to inmate health care services with California Forensic Medical Group, Inc. (CFMG):
 - a. Approve a contract in the amount of \$5,315,880 plus a per diem rate of \$4.82 per day for each inmate or minor in excess of a combined population total of 640 (no net County cost) from July 1, 2015 through June 30, 2016, and authorize the Director of Health and Human Services to sign subsequent amendments up to 5 percent of the total contract amount, consistent with the current agreement's subject matter and scope of work.
 - b. Approve an option to extend this contract for an additional one-year period through a written amendment hereto, and upon giving (90) days written notice to CFMG prior to the beginning of the one-year extension, with a Medical Care Consumer Price index (CPI) increase at County discretion, and authorize the Director of Health and Human Services to sign the extension.

BACKGROUND:

Inmate healthcare services required for the Placer County Jail and Juvenile Detention Facility include primary medical care, dental care, pharmaceuticals, mental health services, acute hospital care and specialty care to a current population of approximately 610 adult inmates and 30 juvenile wards. The contract provides for a base population of 640 adult inmates and juvenile wards but can be expanded to reach the jail capacity through use of per diem charges on actual census each quarter.

This new contract updates Placer requirements but continues programmatic terms of the current contract that expires on June 30, 2015. That contract was put in place for 9 months in order for this contract cycle to align with the county fiscal year. The new contract was increased based on the CPI increase. The new contract does provide for 12 months of service rather than the one time 9 month contract.

CFMG has been a long-term high performing contractor in Placer County as evidenced by its demonstrated ability in running the program and success in obtaining and retaining Institute for Medical Quality (IMQ) certification for the jail. Risk Management concurs that CFMG has reduced the County's liability through the transfer of risk in this contract agreement.

There has been discussion with Procurement about the timing of a Request for Proposal (RFP) for this service with the continued proposed expansion of services to the South Placer Adult Correctional Facility. It has been recommended by Procurement that this be delayed until the South Placer Adult Correctional Facility and the Auburn Facility combined reach a stable inmate population size to maximize the effectiveness of this competitive process.

The Placer County Sheriff and Probation Departments support this contract.

FISCAL IMPACT:

Funding for this contract includes the annual base rate of \$5,315,880 plus per diem costs for inmates and wards over a census of 640. The per diem costs are estimated to be \$53,000 in the FY 15-16 year. The contract was increased by the CPI over the previous contract. The total funding is included in the Sheriff and Probation Departments' FY 15-16 proposed budgets (fully funded by Public Safety Fund).

This contract is on file with the Clerk of the Board for review.
