BUILDING

ALTERNATE MATERIALS, DESIGN AND METHODS OF CONSTRUCTION REQUEST

Upon submittal of this request, a minimum plan check fee equal to the current hourly rate will be due. If the review time exceeds one hour then additional plan check fees will be assessed and payable prior to final inspection. Once the alternate material submittal has been reviewed and approved, documents shall remain on the job site along with the approved set of building plans.

Under authority of Section 104.11 of the California Building Code and Section R104.11 of the California Residential Code, the undersigned requests approval of alternate materials, design and methods of construction for:
