

The Placer County Board of Supervisors will hold a public workshop on the Village at Squaw Valley Specific Plan Project on July 21, 2014, at Base Camp in the existing Squaw Village. This workshop will include project presentations by the County staff and the project applicant, and will be an opportunity for the Board to ask questions of staff and the applicant. Squaw Valley Public Service District staff will also present a brief informational overview of the Draft Water Supply Assessment to the Board. The Board will not be asked to take any action on the Project or the Draft Water Supply Assessment. Public comment will be allowed at the discretion of the Board.
