

Memorandum
Office of Jenine Windeshausen
Treasurer-Tax Collector
County of Placer

To: The Honorable Board of Supervisors

From: Jenine Windeshausen, Treasurer-Tax Collector

Date: January 13, 2009

SUBJECT: Temporary borrowing of Treasury funds by South Placer Fire Protection District.

Action Requested:

Ratify the temporary borrowing of Treasury funds, for an additional amount estimated to be \$250,000 for fiscal year 2008/09, by the South Placer Fire Protection District, Fund 531 sub-fund 430, as prescribed by the California State Constitution.

Background:

Resolution No. 96-22, Placer County Treasurer's Dry Period Financing Policy, adopted by your Board on February 6, 1996 provides for short-term borrowing of money to cover cash flow shortfalls, typically created by an even expenditure stream combined with an uneven revenue stream. Through application to the Treasurer, dry period financing is available to those districts whose funds are in the custody and paid out solely through the Treasurer's office.

The amount actually required exceeded the original request by \$250,000 therefore South Placer Fire Protection District submitted an amended request totaling \$1,750,000 now required to be ratified by your Board. The borrowed funds were already repaid with the property tax apportionment in December.

A copy of the application received by the Treasurer from the South Placer Fire Protection District is attached.

Fiscal Impact:

The interest rate charged to the District will be the same rate of interest that the Treasurer's investment pool apportions each month. The borrowed funds were already repaid with the property tax apportionment in December 2008.
