

**MEMORANDUM  
DEPARTMENT OF FACILITY SERVICES  
COUNTY OF PLACER**

To: **BOARD OF SUPERVISORS**

Date: **MARCH 10, 2009**

From:  **JAMES DURFEE / ALBERT RICHIE** 

Subject: **PREPARATION OF THE 2009-2010 ENGINEER'S REPORT FOR THE GRANITE BAY PARKS, TRAILS AND OPEN SPACE ASSESSMENT DISTRICT**

**ACTION REQUESTED / RECOMMENDATION:** Adopt a Resolution directing the preparation of the Engineer's Report for the 2009-2010 fiscal year for the Granite Bay Parks, Trails and Open Space Assessment District.

**BACKGROUND:** On December 4, 2001, your Board was presented with the results of the voter approval process conducted for the Granite Bay Parks, Trails and Open Space Assessment District in which the voters of the Granite Bay community voted to assess themselves for parks, trails and open space development and maintenance. As part of this action, your Board adopted Resolution 2001-333 accepting the final engineer's report and approving the levy of assessments for the new Assessment District.

On an annual basis, your Board must take certain actions to authorize the levying of the assessments. Pursuant to the Lighting and Landscape Act of 1972 and Article XIII D of the California Constitution under which this district was formed, your Board must annually adopt a Resolution describing existing and proposed improvements and directing the preparation of an engineer's report to substantiate the upcoming fiscal year's assessments. In addition, on April 20, 2009, staff will be bringing a Resolution of Intention to conduct a Public Hearing to your Board, and on June 1, 2009, staff will be bringing a Resolution approving the Engineer's Report and levying the annual assessments to your Board.

**ENVIRONMENTAL CLEARANCE:** This is an administrative action required pursuant to State law. As such, it is not a separate project and is not subject to further environmental review.

**FISCAL IMPACT:** Approval of this action by itself does not create any fiscal impact. Adoption of this Resolution is the first step of three actions required by your Board in the assessment process that will conclude in May with a Public Hearing and adoption of a Resolution approving the Engineer's Report and levying the annual assessments.

**BE IT RESOLVED** by the Board of Supervisors of the County of Placer, State of California, that:

1. By its Resolution No. 2001-333, this Board ordered formation of a landscaping and lighting district pursuant to the Landscaping and Lighting Act of 1972 (Part 2 of Division 15 of the California Streets and Highways Code (commencing with Section 22500 thereof) (the "District"); and
2. The purpose of the Assessment District is for the installation, maintenance and servicing of public facilities, as described in Section 3 below; and
3. Within the Assessment District, the existing and proposed improvements to be undertaken by the Assessment District are generally described as: installation, maintenance and servicing of public facilities, including but not limited to, playing fields, playground equipment, hard court surfaces, irrigation and sprinkler systems, landscaping, turf and track facilities, gymnasiums, swimming pools, landscaping, sprinkler systems, park grounds, park facilities, landscape corridors, and trails, as applicable, for property within the boundaries of the Granite Bay Parks, Trails and Open Space Assessment District. Maintenance means the furnishing of services and materials for the ordinary and usual maintenance, operation and servicing of said improvements, including repair, removal, or replacement of all or part of any improvement; providing for the life, growth, health and beauty of landscaping; and cleaning, sandblasting and painting of walls and other improvements to remove or cover graffiti. Servicing means the furnishing of electric current or energy for the operation or lighting of any improvements, and water for irrigation of any landscaping or the maintenance of any other improvements; and
4. SCI Consulting Group is hereby designated as Engineer of Work for purposes of these proceedings and is hereby ordered to prepare an Engineer's Report in accordance with Article 4 of Chapter 1 of the Act and Article XIIID of the California Constitution. Upon completion, the Engineer shall file the Engineer's Report with the clerk of the Board of Supervisors for submission to the Board.
