MEMORANDUM PROBATION DEPARTMENT COUNTY OF PLACER

TO: Honorable Board of Supervisors

FROM: Stephen G. Pecor, Chief Probation Officer 

DATE: May 26, 2009

SUBJECT: Juvenile Justice Crime Prevention Act (JJCPA)

ACTION REQUESTED

Adopt the attached resolution appointing the Chief Probation Officer as the Chair of the Placer County Juvenile Justice Coordinating Council; and, authorizing said Chair to submit Placer County's Application for Approval for the County's Comprehensive Multiagency Juvenile Justice Plan Modification, estimated to be \$842,430 in Fiscal Year 2009 - 2010.

BACKGROUND

The Schiff-Cardenas Juvenile Justice Crime Prevention Act (JJCPA) requires the development of a Comprehensive Multiagency Juvenile Justice Plan (CMJJP) modification to be developed by the Juvenile Justice Coordinating Council (JJCC) in each county on an annual basis. The CMJJP is to address the continuum of response to juvenile crime and delinquency, to identify existing services, and to identify and prioritize juvenile services needed within the County.

Each county is eligible to receive JJCPA Funds based on a per capita distribution. Placer County's state allocated JJCPA funds for Fiscal Year 2009 - 2010 are estimated to be \$842,430. This is an approximate 10% decrease, as proposed by the Governor in January, over the fiscal year 2008 - 2009 allocation. Additionally, this funding source has shifted from State General Fund to Vehicle License Fee and as such is subject to fluctuations based on the number of vehicles registered. The Probation Department plans on absorbing the decrease by using unspent prior year monies, as well as expected interest income from these monies with no significant impact this year. Should the proposed reduction for FY09-10 continue into future years, the JJCC may need to prioritize and/or eliminate programs to maintain a balanced budget for these activities.

The Juvenile Justice Coordinating Council completed the CMJJP Modification as required by statute. That plan has been reviewed by the Corrections Standards Authority, as required, and has received final approval contingent upon approval by the Board of Supervisors of the plan and the attached resolution. The Corrections Standards Authority requires a resolution from the Board of Supervisors to finalize the plan approval/modification process.

The Placer County Plan Modification continues the focus on three program areas, eliminating the fourth (added last year), Diversion Services for minors in the Tahoe Area, due to cuts in State funding:

1. Maintenance of a Crisis Resolution Center to provide temporary housing/respice care for runaways and services to reunify and strengthen families.
2. Maintenance of the Youth Resource Center in South Placer to provide a myriad of structured, scheduled programs to youths on probation.
3. Maintenance and enrichment of program options at the Juvenile Detention Facility.

FISCAL IMPACT

There is no General Fund impact as a result of the application for JJCPA funds. While cuts made by the State to this funding source total just over 10%; Child Welfare Service monies provided by HHS in 2005 will likely allow Placer to maintain service levels through at least FY 2010.
