MEMORANDUM

TO: Honorable Members of the Redevelopment Agency Board
FROM: Thomas M. Miller, Director
James LoBue, Deputy Director *JL*
DATE: February 9, 2010
SUBJECT: Adopt a Resolution Approving the Relocation Plan for Eligible Tenants and the Replacement Housing Plan for 8796 and 8798 North Lake Boulevard, Kings Beach, CA, and Authorizing the Redevelopment Deputy Director or Designee to Sign all Related Documents and Issue Relocation Benefits Pursuant to the Approved Relocation Plan.

ACTION REQUESTED

Adopt a resolution approving the Relocation Plan for eligible tenants and the Replacement Housing Plan for 8796 and 8798 North Lake Boulevard, Kings Beach, CA, and authorizing the Redevelopment Deputy Director or designee to sign all related documents and issue relocation benefits pursuant to the approved Relocation Plan.

BACKGROUND

On November 26, 2008, the Redevelopment Agency (Agency) acquired the property at 8796 and 8798 North Lake Boulevard, Kings Beach, CA (Sites). Pursuant to California Health and Safety Code Section 33410 et seq. (Law), the Agency is required to provide relocation assistance and benefits to eligible tenants who will be required to be displaced in order to redevelop the Sites.

The Agency is using information obtained from Overland, Pacific & Cutler, Inc., a consulting firm specializing in relocation, to determine the availability of housing units for relocation. Based on interviews with existing residents on the Sites and in accordance with the Law, staff has prepared a Relocation Plan which is filed with the Clerk of the Board. Currently, there are three households on the Sites eligible for relocation benefits. All were given a copy of the draft Relocation Plan with notices stating that they had thirty days during which they could submit comments on the plan to the Agency. The Agency has received no comments.

Pursuant to Section 33413 et seq. of the Law, a housing unit owned by the Agency or covered under an agreement with the Agency which will lead to the destruction or removal of the housing unit, may not be destroyed or removed from the housing market until the Agency has adopted a replacement housing plan. Replacement housing units are required to be constructed within four years from the date the units are removed or destroyed.

The Replacement Housing Plan (attached) affects seven studio and one-bedroom units to be destroyed by the Agency. Replacement units have been identified at several locations within the North Lake Tahoe Redevelopment Area. The Agency anticipates demolishing the structures

during the summer of 2010. The Agency executed an Exclusive Right to Negotiate Agreement with Domus Development, LLC on July 23, 2007 which includes an option for Domus to construct forty affordable rental housing units on the Agency-owned property at 200 Chipmunk Street, Kings Beach. The Agency anticipates that Domus Development, LLC will construct the new units on the Chipmunk Street site in 2010 and 2011.

FISCAL IMPACT

The Agency has sufficient North Lake Tahoe Redevelopment Project Area tax increment funds budgeted to cover the relocation benefit expenses which are estimated not to exceed \$30,000. There will be no impact on the County's General Fund.

ENVIRONMENTAL STATUS

Pursuant to California Environmental Quality Act Guidelines section 15180, the proposed action to approve the Relocation and Replacement Housing Plans is an activity taken in furtherance of the North Lake Tahoe Redevelopment Project Area plan adopted by your Board and the Environmental Impact Report certified for the same. The actual future demolition of the Sites structures and the construction of replacement units will be subject to separate environmental review at such future time as the demolition and construction plans are ready to proceed.

RECOMMENDATION

Adopt a resolution approving the Relocation Plan for eligible tenants and the Replacement Housing Plan for 8796 and 8798 North Lake Boulevard, Kings Beach, CA, and authorizing the Redevelopment Deputy Director or designee to sign all related documents and issue relocation benefits pursuant to the approved Relocation Plan.
