Dear Sup. Weygandt,

I am contacting you to ask for your support of the Thermalands Community Center(TCC). Located in rural north Lincoln and site of the Valley View School since 1871, the TCC is a public charity committed to preserving and maintaining the historic Valley View School site and providing support to local families. All proceeds come from various fundraisers and private donations.

Our primary fundraiser is the yearly Crab Feed. This year it will be held at Mt. Pleasant Hall on February 13. We expect to have 300+ attendees and the event will provide some much needed income for the TCC. Please consider making a donation and attending the event.

Thank you for your support!

Sincerely,

Rick Hartmann, Chairman
