

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS

DATE: December 10, 2013

FROM: KEN GREHM / KEVIN TABER

SUBJECT: **NOTICE OF COMPLETION FOR THE ROADWAY SURFACE TREATMENT,
SUMMER 2013 – CONTRACT NO. 1133**

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution accepting the Roadway Surface Treatment, Contract No. 1133, Summer 2013 as complete. There is no net County cost.
2. Authorize the Director of Public Works to execute the Notice of Completion.

BACKGROUND / SUMMARY

The Department of Public Works performs various surface treatments on maintained public roadways to protect, preserve, and extend their useful lives. The selection of roads for surface treatment is typically a function of the road condition, traffic volumes, and funding. Your Board approved funding for various surface treatments in the 12/13 fiscal year utilizing County Service Area (CSA) funds, Road funds, CalRecycle Grant funds, and Citrus Heights Water District funds. The base contract included approximately 51 miles of roadway treatments, and via two separate change orders we increased that total to 58 miles.

On April 9, 2013, your Board approved the Department of Public works to advertise for bids and on June 4, 2013, your Board authorized the Public Works Director to execute a contract for three different types of surface treatments: 1. Microsurface Seal; 2. Rubberized Chip Seal; and 3. Cape Seal. These road resurfacing processes provide a new wearing surface, some crack filling, pavement rejuvenation, and sealing. The construction requires special equipment to place the chip or microsurface seal on the roadway. Construction Contract No. 1133 was executed with VSS International, Inc. of West Sacramento, on June 11, 2013, and work was completed on October 11th, 2013.

ENVIRONMENTAL

This project is Categorically Exempt from the provisions of CEQA as a Class I exemption, Section 15301 (c) "Maintenance of Existing Facilities".

FISCAL IMPACT

The contract was awarded for \$1,739,554.12 with a contingency of \$260,933.11. The final cost of \$2,014,876.83 has been determined by the Department. There were two Contract Change Orders issued during the project. A contract data and change order summary is attached as Exhibit A. The project was fully funded through the 12/13 Road Construction Budget for Project No. 2967 "Road Resurfacing FY 2012/13" utilizing CSA funds, Road funds, CalRecycle grant funds, and funds from Citrus Heights Water District.
