**5. Information Item:**

**A. Update On The Requirements For New On-Site Septic Systems** Any new home constructed using a septic system, later this year or next, will be under the new California State Law for sewage disposal. These requirements do not effect existing septic systems that are functioning properly and they are not significantly different than the County requirements that have been in place for years. If you are planning on building a new home or need to replace your existing septic system find out what you will need to know regarding these new requirements here in Placer County. A presentation on the on changes in the local program as a result of the State Law for new and replacement onsite-sewage disposal systems will be given. These program changes meet the goals of the State Water Resources Control Board Policy as required by AB 885 (Jackson 2000). Presenters: Wesley Nicks, Director of the Health and Human Service Department and Kurtis Zumwalt, Program Manager. For more information [WNicks@placer.ca.gov](mailto:WNicks@placer.ca.gov)

**6. Action Item: None**

The MAC is composed of appointed community members whose purpose is to advise the Board of Supervisors about activities and problems of the area represented. Residents are encouraged to attend and talk about issues important to them. More info at [www.placer.ca.gov/bos/mac](http://www.placer.ca.gov/bos/mac). Placer County is committed to ensuring that persons with disabilities are provided the resources to participate fully in public meeting. If you require disability-related modifications or accommodations, including auxiliary aid or services, to attend or participate in this meeting, please contact the Board of Supervisor's Office.
