Do you have an older adult in your family? In your neighborhood? Placer County Health and Human Services is working on a 5 year plan for meeting the needs of the growing older adult population. There are several concurrent projects and surveys going on in collaboration with the Older Adult Advisory Commission and the Area Agency on Aging 4. In order to get direct feedback from as many areas of the county as possible we are having some focused conversations at local MACS and community groups. The information gathered will be combined with other survey and demographic data to inform the direction of older adult services and planning for Placer County. [Cyndy Bigbee](#) will present.
